# FEATURES

### Headlights

Kubota's multi-reflective headlights let you see farther and better, so you can work effectively whenever and wherever you want.

### Backlit Dash Panel

The easy-to-read dash panel features large numbers and a white background to help you easily keep track of vital tractor functions such as engine speed, engine temperature, fuel level, etc. The panel backlight activates when the headlights are turned on.

### Lever Guides

The B-Series features large angled lever guides, for hassle-free shifting, fast control lever recognition and easy operation.

### Slanted Hood

The slanted hood offers a clear view of front loader operations to improve operator productivity.

### Parking Brake

The parking brake keeps your tractor where you want it—just pull the convenient lever and the tractor stays put.

# FEATURES

### High-back Seat

Kubota's seat provides ample back and lumbar support, improving operator comfort during long hours of operation.

### Wide Operating Platform

The large, ISO-mounted flat deck provides plenty of legroom and a wider step area for easier mounting and dismounting. Plus, the widely spaced fenders create plenty of room for the operator to work in comfort.

### Wide Fenders

The extra-wide fender width increases your protection from mud and debris and enables integrated lever positioning for your convenience.

### Foldable ROPS

For your safety, a foldable ROPS is standard equipment. It's perfect for traveling under areas with height restrictions, or parking your tractor in a garage.
